

A New Season Begins in 2010 - Jane Hamon

Out of Captivity

I believe that the Church is poised on the brink of a brand new season. Just as 2010 begins a new decade, I believe that we are turning a corner and entering into a time of reformation and awakening that is in many ways similar to when the children of Israel came out of Babylonian captivity. There are new battles ahead and new ground to be taken, however, it will all be towards the purpose of building and establishing God's Kingdom in the earth in a whole new way.

2010 will be a year of the wind of the Lord blowing afresh and anew to prepare us for this new season of reformation and awakening. After Jesus was crucified at Passover and rose from the dead three days later, he was seen of men for 40 days walking on the earth. Then he ascended to heaven and told His disciples to go back to Jerusalem to wait for the outpouring of the Holy Spirit - the Promise of the Father. 10 days later, when the day of Pentecost was fully come the house where they were assembled was filled with the sound of a rushing mighty wind. This wind brought the empowerment of the Holy Spirit and the birth of the Church. This will be a season of outpouring and birthing of the Holy Spirit.

I recently heard Apostle Gale Sheehan share what he was sensing for this New Year and new season and I really bore witness with it. He said this would be a year when God would send the second wind. The second wind is a term used by runners who after running a distance begin to become weak and exhausted and about to give up. Then they get their "second wind" and suddenly get a burst of energy and strength to go the distance. This is where the church has been. Many are weak and exhausted from the battles of the last season, but God is sending His wind of refreshing to give us strength, renewed energy and fresh vision for the new day. ([Click Here to read Gale Sheehan's Word of the Lord.](#))

A key verse for this time will be from John 10:10: *The thief comes to steal, kill and destroy, but I have come that you might have life and life more abundantly.* The word "theif" comes from the Greek word "klepto" as in kleptomaniac. He loves to steal us blind, rob from us and destroy everything that is good and purposeful in our lives. The Greek word that is translated "more abundantly" means "*that which is superabundant in quantity and superior in quality, exceeding abundantly, above and beyond.*" We need to shake off the lack that has tried to stranglehold our vision in the last several years and believe for God's superabundance in every area of our lives in 2010.

As our friend Chuck Pierce annually points out, the Jewish calendar year begins in the month of September. This is the year 5770 according to that record. This is the season of AYIN which is a time for the triumph of the church, a time to possess your land and dig new wells, a time to see in a new way. I believe this is significant as 70 is the number associated with the time of the end of God's judgment on Judah, the end of Babylonian captivity and the beginning of a brand new season of building and restoring all that was lost during that time.

Similarly, on our Gregorian calendar, this is the year 2010. In scripture the number 10 denotes judgment fulfilled and a new season beginning. How we enter this new season will largely depend on how we responded to the testing process of God in the last season. Some of the significant indicators of the number 10 in scripture are as follows.

- a) The 10 Commandments – these were the standard of moral requirements by which Israel was to be judged.
- b) The 10 plagues of Egypt – were God's instruments of judgment against Egypt at the appointed time. I believe this is an appointed time of God's judgment against His enemies. As was the case in Egypt when the pre-determined 400 years of bondage were concluded, things got worse for God's people right before their deliverance came. I believe many have been in this season of the darkness before the dawn. Those who position themselves in faith for the new season will see God's mighty hand of miracles to bring deliverance and pave the way to the promise.
- c) 10 is a number that represents the hands of God....10 fingers – fingers that wrote the 10

commandments, fingers that wrote on the walls of the Babylonian palace, hands that destroyed His enemies. This will be a year that we will see the manifestation of God's right hand on the righteous – a hand of blessing, power and favor. It will also be a year to see God's left hand manifested against evil and those that oppose His cause – the hand of dishonor or cursing. A key verse for this year will be concerning the hand of God bringing people out of captivity:

Ex 3:20-22 So **I will stretch out My hand** and strike Egypt with all My wonders which I will do in its midst; and after that he will let you go. 21 And I will give this people favor in the sight of the Egyptians; and it shall be, when you go, that **you shall not go empty-handed**. 22 But every woman shall ask of her neighbor, namely, of her who dwells near her house, articles of silver, articles of gold, and clothing; and you shall put them on your sons and on your daughters. So you shall plunder the Egyptians."

Ex 15:6 "Your right hand, O Lord, has become glorious in power; Your right hand, O Lord, has dashed the enemy in pieces.

God does not just release His hand against our enemies but will often ask us what He asked Moses when He said, "What is in your hand?" The hand represents power and authority as well as our ability put into action. God wants to place His hand over our hands and release new positions of authority and new resources of power to be utilized for our victory and deliverance. Again, this involves the right hand of blessing and favor and authority. The right hand is also the hand that holds the sword, the Word of the Lord. There is a new prophetic sharpness coming to those who will take the time to press in and listen on a new level. The left hand is the hand that holds the shield - the shield of faith. **This will be a year of faith expansion as we wield the sword of the Word of the Lord.**

d) 10 is the prevailing number in measuring the tabernacle, the temple and New Jerusalem. This will be a year of measuring and aligning to proper structure and standards.

e) 10 is the number used by Jesus as a standard of measuring our right response to God's dealings:

- a. 10 virgins – 5 fell asleep and 5 entered into the celebration
- b. 10 talents – one invested poorly and was judged severely
- c. 10 cities – the reward given to those that invest their talents wisely
- d. 10 lepers – only one returned to give thanks after being healed.

f) 10 is the primary number tied to financial matters as God emphasizes the covenant tithe (10%). Malachi 3 tells us of the reward and judgment according to how we respond to the tithe. The word tithe comes from the Hebrew word asar – to accumulate, the tithe from the root word ashar – to accumulate to the extent of the digits (fingers), specifically to grow and make rich. This will be a year of seeing God's covenant promises fulfilled as we keep covenant with God through our tithe.

g) 10 continues to denote judgment on His enemies:

- a. 10 toes on Nebuchadnezzar's statue which are destroyed by a "kingdom of iron". Dan 2:41-44 – Iron is a symbol of God's judgment
- b. 10 horned beast in Revelations 7 (representing 10 kings, nations or kingdoms) the 11th arose from the midst and made war with the saints and prevailed against them until the Ancient of Days came and judgment was made in favor of the saints!

Out of Captivity

Judah was held in Babylonian captivity for 70 years. 70 is 10 times 7. 7 is the number of completion, perfection and covenant. God's dealings with Judah were not because of His hatred towards them, but rather because of His great love. His dealings with His Church have been out of covenant, and the time of completion is now at hand.

When the fullness of time came and it was time for captivity to end the following things occurred which I believe parallel what God has been doing in this last season and will do in this next season.

1) Release is preceded by the intercession of the prophets who have discerned the times.

In the 1980's God restored the ministry office of the prophet. Shortly afterwards the prayer movement began which has continued the last 20 years. People began to pray believing that God could save not just individuals but cities and nations as well. Prior to Israel's release from Egypt God raised up the prophet Moses who heard God say it was time for captivity to end. Before it was all over, Pharaoh's heart got even harder towards the people of Israel and made their lives even more miserable. But then they were released. Prior to the end of Babylonian captivity it was the prophet Daniel who read the words of Jeremiah and began to repent and pray regarding the freedom of Judah. (Jer 25:11; Dan 9:2) Then along came Belshazzar – the most arrogant of kings. It actually got worse before it got better. But then we see God's hand – His fingers writing on the wall – and judgment came upon the enemies of God as favor was released on God's people.

Intercessors need to shake off the weariness of the last season and even the doubt that has arisen. Since many saw things get worse, a cynicism has arisen that has caused some to doubt that their prayers have an effect on the earth realm. Arise Intercessors. This is your greatest hour!

2) A Decree is Made by the Authority in the Land for Release

This has been a season of apostles, prophets and even the saints realizing the power of spiritual legislation through releasing a decree. It has the power to shift everything. Pharaoh made a decree of release for Israel and Cyrus made a decree of release for Judah. I believe that the Church is going to gain tremendous favor from some civil leaders that will advance the Kingdom cause. Just as Pharaoh and Cyrus weren't righteous men but worked with the purposes of God, they didn't just release the people from captivity but also added that the people be given wealth and finances as they went. I believe there will be those who put their money where their mouth is and actually release finances for the Kingdom. I even feel that President Obama is going to end up making some decrees that unknown to him, will promote the cause of the Kingdom and even designate some finances towards the cause of reformation.

3) Fathers (Apostles) put in their proper place.

One crucial element of bringing people out of captivity is the promotion and position of the fathers. In Moses' day his leaders, Dathan, Korah and Abiram and the chief princes of Israel ended up fashioning the golden calf and leading Israel into idolatry against God and rebellion against Moses. It was largely because of the failed leadership of those serving under Moses that ended up resulting in Israel's failure to enter in to their promised land and causing them to wander in the wilderness until they died.

On the other hand, in the book of Ezra one of the first things to occur after Cyrus's decree is that the fathers were put back in position. They led the people back to Jerusalem and immediately began re-laying the foundation of the temple. Zerubbabel was their leader. His name means "seed of Babylon, to flow away from confusion dispersion of confusion" **The Zerubbabels are arising** and breaking the yoke of confusion that has caused the cause of the Church to become watered down through religion, fear of man and being politically correct!

4) The Father's (apostles) rebuilt the foundations and ushered in a sound of worship.

In Ezra 3 we see the father's (heads of the father's houses) organizing the people for restoration and reformation. The last 30 years have been spent restoring prophets, apostles and saints to their place so they could be mobilized to build. It's time to build. As in the days of Nehemiah, we will build with a sword in one hand and a building tool in the other. The sword will be the Word of the Lord and the building tool will be the apostolic strategy to advance.

They also ushered in a new sound of worship in the midst of the city of God as they were in the restoration process. There will continue to be new sounds of worship released with an impact of breakthrough, miracles and the power of the presence of God like never before.

5) Contending with Unrighteous Decrees

Just as release from captivity come through decrees so also, delay and disappointment comes through the decrees of the enemy as well. In Ezra 4 Ahasuerus issued some decrees that halted the building process of restoring the temple. According to Browns-Drivers-Briggs the name **Ahasuerus means “I will be silent and poor”**. **I believe this is one of the spirits we are contending with during this season**, one that will attempt to rob the voice of the Church as well as bring us back into an impoverished state of captivity. Remember, we have been released from the last season of captivity, but we must choose to hear the Word of the Lord through the prophets to reject the decrees of darkness that will attempt to hold us in our old state.

6) A New Release of Wealth!

This will be one of the most important aspects of this new season. In both examples from scripture great wealth was released as the people of God came out of captivity. When Israel was released from Egypt, they didn't come out empty-handed but took the wealth of their Egyptian neighbors and put it on their sons and daughters. This is our challenge to think generationally regarding the new wealth creation and wealth transfer season we are coming in to.

Likewise, when Judah came out of captivity Cyrus decreed the release of wealth for them to rebuild as did the second Darius and Artaxerses. There was a continual release of wealth to accomplish the rebuilding of the temple. It might also be noted that this temple was twice the size as Solomon's temple and was constructed primarily with Babylonian wealth. Look for opportunities that will release the wealth for this new season of advancing.

Unfortunately, when Israel came out of Egypt they took all the Egyptian wealth and used it to build the golden calf of idolatry. We must be careful to realize that as God releases wealth in this new season it is for the purpose of building and advancing the Kingdom. Great strategy is needed to do the right thing with the wealth that comes in, lest we use it to erect monuments to ourselves or to fall into the hands of Mammon and begin being enslaved by the very wealth God has blessed us with.

The number 70 is mentioned as the time not only of Babylonian captivity, but also 70 years of judgment against Tyre.

Isa 23:17-18 At the end of seventy years, the Lord will deal with Tyre. She will return to her hire as a prostitute and will ply her trade with all the kingdoms on the face of the earth. 18 Yet her profit and her earnings will be set apart for the Lord; they will not be stored up or hoarded. Her profits will go to those who live before the Lord, for abundant food and fine clothes.

This will truly be a time when the kingdoms of the world will begin to serve the kingdoms of God. In both the Babylonian and Tyre examples we see a depiction of the finances controlled by Satan. Both of these kingdoms are illustrations of the kingdom of darkness in the earth. Isaiah calls Lucifer the “king of Babylon” and Ezekiel 28 calls him the “prince of Tyre”. Both indicate a shift after 70 years, when the wealth of wickedness gets put into the hands of the righteous.

7) A Governmental Shift takes place

This will be a surprising year of major governmental shifts. In Ezra 7, post-captivity government was restored to the land of Israel. The unrighteous were shifted out and the righteous were set in. Even the battle over the courts will see new life as it was commanded to set in righteous judges in the land.

Ezra 7:25-28

25 And you, Ezra, in accordance with the wisdom of your God, which you possess, appoint magistrates and judges to administer justice to all the people of Trans-Euphrates — all who know the laws of your God. And you are to teach any who do not know them. 26 Whoever does not obey the law of your God and the law of the king must surely be punished by death, banishment, confiscation of property, or imprisonment. 27 Praise be to the Lord, the God of our fathers, who has put it into the king's heart to bring honor to the house of the Lord in Jerusalem in this way 28 and who has extended his good favor to me before the king and his advisers and all the king's powerful officials. Because the hand of the Lord my God was on me,

I took courage and gathered leading men from Israel to go up with me. NIV

In summary, this will be the beginning of a new era, a new season of advancement for the purposes of God. In America, we will continue to see shaking as the war over wealth, over worship and over power structures continues. However, we must battle from a position of personal and corporate freedom knowing that we have been set free from the captivity of the last season and released into new opportunities for today. We can choose to align with fear and idolatry as Israel did and end up wandering in the wilderness for 40 years or we can embrace God's promise for a new day and see awakening, restoration and reformation that will last for generations as Judah did. It is our choice how we respond. Will we be one of the 5 wise virgins and enter all the blessings of God or one of the 5 foolish virgins and miss our day of appointment? The choice is ours.

Run with Him and Run to Win in 2010! - Gale Sheehan

WRITTEN BY GALE SHEEHAN

MONDAY, 04 JANUARY 2010 19:43

God is releasing a "second" wind that will enable us to "Run with Him" and "Run to Win" in 2010. This wind of His Spirit and breath of life will prepare us to fulfill the purposes and destiny of the Third and Final Apostolic Reformation.

Therefore since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance, and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God. For consider Him who has endured such hostility by sinners against Himself, so that you may not grow weary and lose heart. Hebrews 12: 1-3

A "second wind" is a phenomenon in distance running such as a marathon or road running (as well as other sports) where an athlete who is too out of breath and tired to continue suddenly finds the strength to press on at top performance with less exertion. Some scientists believe the second wind to be a result of the body finding the proper balance of oxygen to counteract the buildup of lactic acid in the muscles; others claim that a second wind is related to endorphin production, while still others believe it is psychological.

Whatever the underlying reason for this "second wind" phenomenon in the natural realm, it results in a beyond the norm ability for athletes to do things and accomplish goals that only a few moments before were not possible. There is a parallel to this in the supernatural realm and we are in that season of time in the Lord. Many have run to a point that they feel it is impossible to continue but God is saying that He is releasing a new wind of His Spirit that will enable us to be successful in His purposes by His supernatural strengthening.

Breath of Life and the Wind of the Lord!

There have been several times in scripture where the "wind of the Lord" or "His breath of life" brought about great transformation and change.

1) Then the Lord God formed man out of the dust from the ground and breathed into his nostrils the breath of life; and man became a living being. Genesis 2: 7

This was the first time that something without life came alive due to the breath or wind of the Lord. Adam became alive to purpose and destiny because God breathed His life into Him. This was the start of mankind running a race toward this current earthly eras finish line of the Lord. We are the generation today taking the baton from past generations to see and cross this eras finish line of God's plan. There are many situations and circumstances today where we will come alive in new ways to see and experience the purpose of the Lord. This is a time for the fulfillment of Apostolic and Prophetic Destiny because God will empower us to do it.

2) And when the day of Pentecost had come, they were all together in one place, and suddenly there came from heaven a noise like a violent wind, and it filled the whole house where they were sitting. Acts 2:1-2

Much like the suddenly experienced by the marathon runners that enables them to continue with a new vigor and pace, the early believers experienced a supernaturally suddenly that empowered them to be witnesses like never before. The early church at this time experienced a great transformation and reformation. The Lord began to add to their numbers day by day of those that believed the word of the Lord. We are in a time period of a great harvest of souls in the earth. This will be a time of the former rain and latter rain at the same time to bring forth the harvest.

3) ...but this is what was spoken of through the prophet Joel: "And it shall be in the last days, God says, That I will pour forth of My Spirit upon all mankind; and your sons and your daughters shall prophesy, and your young men shall see visions, And your old men shall dream dreams; Even upon My bond slaves, both men and women. I will in those days pour forth of My Spirit.....and it shall be that everyone who calls on the name of the Lord shall be saved. Acts 2: 16-21

This is a time spoken of by the prophet Joel of a great out pouring of the Spirit and the "wind" of the Lord. This is the season of the "second wind" for the finishing generation to run the race of the Lord. This will be a time of God's Spirit being poured out for a great harvest of souls in the earth. From young to old there will be a charge to finish running the race of the Lord, each with a specific lane of direction. Many will have assignments that permeate the systems of the world and bring the power of God to individuals within those mountains to see reformation happen. The power of the prophetic Word of the Lord will cause an awakening of both the church and the world. This will move us closer to the time where the "kingdom of the world has become the kingdom of our Lord, and of His Christ, and He will reign forever and ever." This literally means a time where the rule of the cosmos shall change. It is important for every believer to be intentionally evangelistic in this season. God will confirm His Word with signs wonders and miracles for a demonstration to the lost.

Supernatural Plans for 2010 - Bill Lackie

WRITTEN BY BILL LACKIE

MONDAY, 04 JANUARY 2010 17:42

Dream

As I was taken away in the Spirit I could see people worshiping all over the world. The intensity, frequency and pitch of worship came to a crescendo trumpeting the fullness of heaven. It is time for the church to cry out "Hosanna Jesus!" "Come!" Quickly my focus was shifted to gatherings all over the world where thousands of people were joined in corporate worship. The sound of this worship was ecstatic and very contagious. The Lord then revealed that the impact of the worship was the result of binding unity among the believers.

Rapidly the picture of this worship merged into thousands of pictures of aquariums all over the world. In these aquariums were hundreds of fish packed full; seemingly more fish than one could image. These fish were all of the same species -- a translucent golden color -- and they were all speaking the Word of the Lord. Each of these aquariums represented the churches that in my dream had been worshipping. However, the message of fish (fish representing the New Testament symbol of the Christian) in aquariums implied that we were all in the same tank (all the fish were inside the protection and provision of the Lord), living happily in the water (the water of His word) each fish was singing the Word of the Lord (the Eldad and Medad anointing, prophesy 24 hours a day as the mantle of Moses was being passed down to the 70 leaders). The sound of the song and the thousands of messages of the Word of the Lord coming out of their mouths would begin to awaken the Body of Christ. Seeing them singing at one time, in full voice, aquarium after aquarium was almost overwhelming. Besides the fact that fish don't sing...nor do they give forth coins but in the bible they did.

Looking at each of the aquariums in the dream I noticed two aquariums out of the thousands of thousands that I was seeing that were different. These two aquariums were shaped like trophies of glass. These trophies of glass were perfect to look at. The fish inside of the trophy tank were brighter than the others, yet singing and looking like the others. However, the fish in the trophy tank were two dimensional not three dimensional and when you looked at them closely they were plastic. As I looked closer the aquarium was a one dimensional projection from a movie screen.

I was alarmed at these fake aquariums in the midst of the real thing. When I saw these two aquariums I heard the Lord speak, "Be careful of the leaven of the Pharisee." "There is deception in this." The difference between the real fish in the real aquariums and the two that were fake fish in fake aquariums became clear. The life that was coming from the real fish was overpowering. When you examined the fake ones there was no power at all.

The year 2010 will represent the passing of mantles and the rising up of a new generation of believers full of worship and the Word of the Lord in their mouths. We will see the mantle of leaders for many years being magnified in this new generation. A unity with sincere bonding will characterize the Body of Christ. Each person will be expressing his or her individual gift in diversity causing an incredible orchestration of The Kingdom of the Lord. This demonstration will release the Glory of the Lord with Kingdom authority in more than double portion to 2009. The number of Christians will multiply 100 fold. If we could see as God does (globally) we would be astounded at the mighty army that is rising up...Joel's army! Praise God for His power and might being demonstrated.

New Key and an Open Gate

A new key is being released from heaven to open up things that have been locked up for centuries. 2010 is the beginning of the Supernatural release of the Lord in greater portion than ever before. This key is a Key of David and we need to follow Israel closely to discern how God is blessing the Body of Christ. I saw this key come down from heaven in the hands of an angel and open a huge gate here on earth.

The name of this gate is called "hidden treasures." Once this gate was opened it illumined the Kingdom of God in a way that has never been experienced in history before. Things that feel dead, hindered, dwarfed or not producing fruit from the seeds we have planted will suddenly burst into great growth and blossoming of fruit. This supernatural open heaven will be released in 35 cities and 26 nations. We will begin to have demonstrations of mass revival, closing down of bars, and supernatural size of vegetables along with financial blessing that is unparalleled.

New Day Ushering in the End Time Purpose

The supernatural plans of God for His end time purpose are mighty and very glorious. We have no comprehension at this time to fully understand the compassionate heart of Jesus Christ that will be poured out in this hour. Many people are crying out to Him for divine intervention. He will answer their cry and shine brightly through His Church in this hour. As difficult or problematic the transitions of change are for the world, just opposite this is the 100 fold blessing and demonstration of God.

Abundance and Blossoming

The 5 loaves and 5 fishes are an end-time example of the provision of the Lord. Out of a little God will provide for thousands. There is a gusher of **tnce and Blossoming**

The 5 loaves and 5 fishes are an end-time example of the provision of the Lord. Out of a little God will provide for thousands. There is a gusher of the abundant provision and fruit of the Lord. We will begin to see the grapes on the vines like Joshua and Caleb saw. Laughter and great joy will break out as this abundant blossoming of the fruit of the seeds of the Lord began to break out in fullness.

Harvest...Fields are White

Harvest time is here. The angels are in heaven assigning sickles to people on earth who will be Harvesters. It is time to double the prayer for the laborers of the Harvest. The white fields of harvest are immense in size. The Lord gave me a vision that everywhere we are sent and everywhere our feet step...will be a harvest territory for us. We are being led by the Lord of the Harvest whether it feels like we are or not. Rise up in faith and receive your heavenly sickle to reap the Harvest of souls, finances, blessings, favor and Kingdom territory in this hour.

Prophetic Fishing

The gift of prophesy is coming to a fullness in 2010. We will begin to see the impact of thousands of believers who move skillfully in the gift of prophecy. God is releasing revelation of hope through prophecy as a life line of His divine grace. As we are led by the Holy Spirit we will begin to reveal secrets to many around us that will begin to inspire and transform them. A light of revelation is being turned on through this gift of prophecy to reach saints and sinners alike.

Divine Favor

The heavenly robe of favor is being released in this hour to many who have come to a place of

fulfillment. Faithfulness to the purpose of the Father is the key. You will begin to see the face of the Lord turn toward those who have been faithful in God's plan and purpose. Daily we will see like flowers blossoming in an open field the favor of the Lord settle upon "faceless men and women." The faithful ones!

Walking on Water

There is a new kind of faith that is required in this hour. God is releasing "grace" for huge faith of rapidly running with the horses and quickly accomplishing all that is in His heart in this hour. Walking on water requires you to step out on a new foundation that does not look like it will hold you. Also, you have to keep your eyes on Jesus...DON'T LOOK DOWN, you will sink. The same Jesus who lived upon this earth lives inside of you. You will do exploits greater than He did while he was here. Begin to look at yourself as MIRACLE WORKERS!

Ruling and Reigning

A new boldness and confidence is resting upon the "remnant" of the Lord. God is pumping them with faith, confidence, assurance, wisdom, skill, might and great peace to rule His Kingdom. Many circumstances on earth will not change or be turned around except we rise up in the Ruling and Reigning authority of the Lord in each circumstance.

Dominion in the Kingdom

God's mandate to mankind was to "take dominion." Dominion comes from authority and authorization. Territory is assigned by the Lord. The enemy only has illegitimate authority and will easily back away by our Dominion Faith. The roar of the Lion of Judah will be louder this year than in all the previous years. Take your dominion!

Birthright

A new dimension of purpose is being released this year. Birthright is your eternal portion from heaven. Jeremiah 1...says that God knew you before you were formed in your mother's womb. At that time all provision was set aside for you for every good work. This birthright is greater than destiny, purpose, vision, goals or anything that you could think up. God's territorial plan for you is much bigger than you think. Only your birthright inheritance coming forth in fullness will reveal the fullness of His plan for you. Receive your birthright in 2010 and consider the fullness of His love for you!

Dreams, Visions and Seers

The illumination of the Lord is being turned up in intensity. There will be a great release of the LIGHT of God in 2010. Seers, dreamers, and visions will have more impact, clarity and timely demonstration. God has purposed to reveal His secrets to His prophets. Receive the eye salve of the Lord in Revelations 3 to see as you have never seen before.

Transformation and Transitions

The acceleration of change is increasing to velocity. Velocity will be more than time, time and ½. God is moving things around in His kingdom as has never been seen before. Prepare yourself for many rapid shifts of the Lord in 2010. He is on the move aggressively. Have faith for every transition. Also, have great confidence that God is in CONTROL.

Faith Lift...Double Portion Faith

This year we will feel the gentle hand of the Lord lift us up out of a low place. There will be a double portion of faith arising in the hearts of His Bride. We will begin to ascend to higher ground prepared for the joining of His heart with our heart. This relational touch of the Lord will melt away doubt, unbelief, weariness and confusion. Get ready for a 2010 Faith lift!

Suddenlies of God

The Lord will quickly move on our behalf. Many feel that they have been pressed to the edge of endurance and ability to continue. The suddenlies of the Lord will break out on your behalf causing you to rejoice in His love and provision. Even if it is the 12th hour...wait on God for His suddenly within your life.

Offensive Attack Against the Enemy

Step out of the defensive and step into the offensive. A new wave of positioning will come upon the Body of Christ to get them out of a defensive posture. The enemy has tried to lie and lodge within our hearts that he is stronger and he will win. This year God will show us His power and abundant protection. His message to the Body of Christ is that we have already won. Receive a new wind of Encouragement. Let your sail catch new wind and reposition you on the offensive.

Divine Alignment

This year an Amos 7 plumb line is being released to bring His mighty army in battle alignment. This divine alignment is to have no mercy on the devil and to take no prisoners of war. This plumb line will come with laser beam sharpness to prepare us for corporate unity and bonding. Trust God and your fellow Christian. God has planted us and joined us together.

Declare and Decree the 100 Fold Return

Declare and decree for all that has been stolen or lost a 100-fold return. This is the year of reaping where you have not sown and gaining where you have lost. Many have lost in this hour things that have brought heaviness and concern. Open your heart with faith and declare the return of all that has been stolen in your families, finances, reputation, health and favor. You will attract the favor of the Lord.

New Prayer Shield

A new global prayer shield is arising joining the Body of Christ together. This prayer shield is fortified by some of the largest and most powerful angels in heaven. God is drawing His church into prayer globally. It is now time to unify through prayer and consider the break through impact of this New Prayer Shield. Hook up, link up and pray.

Gathering the Thousands

Large meetings of healing, deliverance and salvation will break out in nations all over the world. Agree with the MIGHTY move of God to touch the hearts of thousands. Daily consider yourself as a part of a mighty army that will move forward as one. These large gatherings will bring many into the Body of Christ. God's grace and mercy will be poured out this year as never before.

Provision Breaking Out

You will reap where you did not sow. God is blessing the faithful and full of faith. His Body will receive supernatural provision in this hour. He owns the cattle of ten thousand hills and it is not too hard for Him to break the waters to bless and provide. Prepare yourself with vats ready to be filled. The floodgates are breaking this year.

Door to the Past Closed -- New Window Opening

Long term problems will be closed this year. Open your heart to supernatural healing, deliverance and allow God to shut the door to the past. Many have suffered for years without let up with very serious problems. This is the year of the reaping of the Daniel 5 problem solving anointing. Let God close the door to the past. As soon as He does, let Him open the window of heaven.

Pick Up The Cross

Your daily cross will gain greater understanding inside your Spirit Man. Many have resisted their cross not knowing how to embrace its purpose. This year God will reveal His purpose in "taking up your cross and following Him." There is joy in surrender. There is grace and strength for every burden. Pick up your cross and follow Him.

Ascending To New Levels

God is taking us to higher ground spiritually. Daily, weekly and monthly new levels are being released. As you give place to the "soaring higher with Him" anointing...you will find yourself looking down on your problems. This higher perspective will give you revelation of how to navigate God's purpose. Through worship, prayer and surrender let's arise to new levels of spiritual purpose in The Kingdom of the Lord.

Hope the Anchor of Your Soul

Expecting earnestly will cause your soul to be encouraged. God is pouring hope into our hearts from heaven. It is the anchor of your soul. In every situation give thanks. As you do, HOPE will break out in your heart.

New Generation and Omega Generation

A new generation of believers is being released in the Body of Christ. Young and old, many are shedding their old wine skins only to be ready to receive new wine skins and new wine. This new generation is characterized with a "childlike simple faith."

Double Portion Power

Your portion and God's portion will join together creating an explosive breaker for The Kingdom of the Lord. Your strength is in the Lord. This year you will feel stronger and more able. An increase of the double portion of the Lord is upon you. Begin to dance and rejoice at the full provision of His double portion power.

Come to the Banqueting Table

It is time to sit down at the banqueting table of the Lord. There is a new rest for the people of the Lord. Consider the fullness of His love and desire for you. As you eat of His heavenly food you will be satisfied and never hunger or thirst. The Lord has prepared enough for all...come to a new place of rest and feed on His food.

Eat of the Tree of Life

He has come that we might have life and life more abundantly. My, can you imagine the fullness of Life that is available to us! It is time to cast down death and receive life. This abundant life sometimes is released a measure at a time. Keep seeking, knocking and you will find increased life.

Bride and the Bridegroom

This is the hour of the bride and the bridegroom. Renew your first love with Him. Cause Him to be the first in your life. Allow Him to position you in a "dance of heaven." As you abandon yourself to Him you will find your life happier than it has ever been. He is calling to you His bride to come close to Him. He is our high tower and place of safety!

Celebrate, Celebrate...Celebrate

Let the joy of the Lord break through to your heart! It is time to celebrate the victory of our God. You know you win the battle before the battle starts. From heaven there is being trumpeted a victory for the Body of Christ. Begin to dance, beat the tambourines, rejoice and be thankful. Celebrate!

Courts of Heaven

The courts of heaven have released a decree against injustice of time, delay, attack, besiegement, weariness, confusion, oppression and depression. Enough is Enough! I hear God saying He is raising up with His full authority. The balance of God is just and will not be resisted by the enemy. The test is over -- you have passed.

Chop Yourself Loose

Come out of agreement with the enemy. It is time to set your self free from deception, self doubt, fear and other self inflicted choices. Choose you today whom you will serve. The truth will set you free! Use it on yourself and enjoy your freedom. Chop yourself loose.

Impossible Becoming Possible

God wants to blow your mind with making the impossible in your life possible. Don't give up with the first wind of resistance. Persist and watch God move mightily on your behalf. God can make the impossible, possible! Let him renew your mind and download the faith that will agree with his will.

Remnant

The Lord is releasing a call for the remnant to move forward and lead the Body of Christ into deeper relationship. There is a call in the night season, at a time you don't expect; with groups of people you would not always consider your choice. There is a strong call to the remnant to give more, surrender more, pray more and follow Him more. Yes Lord, send me!

The King of the Kingdom

We will see the hand of the King of Kings move within our lives to build His Kingdom. A new revelation of His Lordship will be revealed to the Body of Christ in 2010. More and more Christians will open their hearts to His Lordship in their lives. Globally He is moving in the sheep and goat nations positioning this world for His eternal purposes.

The Middle East...Israel, Afghanistan, Iraq and Iran

Watch closely the Middle East and what happens in 2010. There will be an increase in conflict with seeming resolution and then things will erupt with greater conflict. God will show His might on behalf of Israel. Iraq and Iran along with Afghanistan will continue to have unresolved conflict. They will try to engage Israel with war. It is time for America to stand up on behalf of Israel and see God's blessing return to the states. Continue to pray for the leaders of these countries and the Christians within each country releasing the message of the gospel. Those who bless Israel will be blessed.

The East...China, Korea, Japan

China is moving into a dominant position as a world power. China is the head of the dragon and God is moving mightily underground in China. China, North Korea and Japan will begin to align themselves with the challenge of the anti-Christ. Prayer warriors all over the world are being called to under-gird the believers in this nation. Watch the hand of God put China in check-mate in 2010.

Africa

The desolation of Africa will turn around through a prayer revival through out all the land. The cry of the hungry, poor and dominated has reached the ears of the Lord. You will see great results in Africa through prayer and miracles. Several of the states will turn

around and through righteous leadership their economy will shift. Those who lend to the poor give to the Lord. Great compassion will arise from many nations helping Africa enter a time to transform.

The USA

Pray, pray, pray...there is a reformation of prayer coming to the United States. The wind of change is here. God is calling churches to arise in prayer to shift the purposes of the anti-Christ spirit. There is nothing that exists that cannot be changed through prayer. Daily we will see and hear of prayer catching aflame within the USA. Watch for a shift of power in the presidency and a turning to righteousness within our nation. The balance is being shifted to another direction. Under-gird our president with your prayers and our leaders with the boldness to take daily stands for righteousness at any cost.

It's time to wake up! When you wake up you look around to see. "What time is it? What am I supposed to be doing?"

- On the verge of a third Great Awakening.
- Focus on the gifts of the Holy Spirit.
Manifestations of the Spirit from the congregation. Those who put aside their agendas for God's flow will experience huge growth.
Special emphasis on Word of Wisdom. Supernatural insight and information from God is impossible situation.
We have been seeing through a glass darkly, but God is getting ready to turn on the lights so we can see clearly. Holy Spirit illumination and understanding.
- Campus awakenings will be "front page" news in cities.
Waves of miracles hitting campuses.
- 2010 will be a year of huge contrasts where the light will be very light and the dark very dark.
Glorious visitations in the midst of intense persecutions.
- The year for evangelism. Churches will teach on evangelism and send teams into their cities
- We must not hide our light under a bushel, but become a city set on a hill that cannot be hidden.
- The emergence of a third populist party in the U.S, People will become disenfranchised both with the right and the left and begin to declare themselves independents.
- More home-grown terrorist cells in the U.S. and Europe.
- Economic shakings in strange and unusual places. God is preparing the nations for harvest.
We must be rightly aligned for sup

A Word of Encouragement for 2010

Believers,

I wanted to write and encourage you! The year of 2009 has been a year of much shifting, changing and rearranging. However, it is important to move forward into 2010 with a great expectation. Knowing that God, Himself, was *in the shaking* and *shifting* of our last season will empower you rather than cause discouragement. Discouragement will steal courage for the season ahead. It is very important to shift into 2010 with courage and godly anticipation for a divine visitation. God desires to show us His glory; however, as He passes by, we must believe He is doing all He promised even when we can't actually see it in the natural. We must develop greater faith to see with spiritual eyes in the year ahead.

A Season of Divine Measurement

In 2006, I heard from the Lord that 2010 would be a year of a completed "measuring." The term "measure" is important to God. You will notice that in Scripture the term "measure," is often used. Just to name a few, Ps 39:4 states that God "measures our days." (AMP) When planning the Temple, it was important that the curtains "measured" the same. (Ex 26:2 ,8). Several chapters in Ezekiel speak about the "measuring" of the temple. Interestingly one of the words deriving from the word "measure" is the word "stretched!" As God measures us, He is also checking to see if we have endured the stretching process! I believe we did!

In 2006, I prophetically saw God measuring us for the next four years and that it would be a type of testing for a shifting into our next season beginning in 2010. (You may connect to the link at www.zionministries.us concerning the year 2006 prophetic word). The number 10 often speaks prophetically concerning a divine measuring. Think of the number of years that Israel wandered in the wilderness – 40 years- which is 4 times 10. Four is a number that represents things in the natural- such as the 4 seasons, the earthly realm, 4 directions (North, South, East and West), etc. In this type of thinking, we depend upon the *natural eye*. However, our enemy would cause us to focus on what occurs in the natural. This would link us to the past and to the occult if we are not careful. Remember, the occult attempts to keep revelation hidden so that we cannot see. Revelation exposes what is hidden- so you need to understand the war between the occult and revelation. In other words, keep pressing for *revelation* which is the ability to see in the supernatural; like peeking into heaven!

But thinking along the lines of "divine measurement" (again, multiplying 4 with the number 10), let us be reminded of how often the "natural circumstances" affected Israel's faith while they were being tested in the wilderness. At each wilderness stop, their faith was challenged and God was measuring their trust and obedience. Obviously, we can certainly learn from Israel's mistakes in the wilderness and, therefore, become determined to shift into our new season with greater faith, right? I don't know about you, but I feel that God has used 2009 as a type of plumb line in my

life. I pray I passed the test!

Know that the enemy would desire to discourage you during such uncertain times and cause you to walk in confusion. While God is measuring us to determine levels of increase, the enemy seeks to kill, steal and destroy. Let's be alert in this next year and become more determined than ever before to run the race that has been set before us.

We are Like Moses Asking God to Show Us His Glory!

A few nights ago, I met with a group of ladies at an annual gathering of many women connected to Zion Ministries in the Bedford, Texas area, as well as some guests, and I heard a word of encouragement for them. I want to share this with all of you because it was a corporate word to the entire Body of Christ. The Lord told me that many of us have been similar to Moses, being asked to move forward into unknown territory. (Again, when we venture into the unknown, we are uncomfortable because we can't fully see our future- therefore; we must trust God and develop supernatural eyesight).

I'm sure you remember the story. Moses had presented some "needs" to God and needed to know that God was going to be with him as he led God's people. Moses told God he would continue to lead, but he needed someone to go with him. In other words before stepping out, Moses needed some type of confirmation. So, Moses asked for God's presence to go with him. The scripture quote from Ex 33:15 defines Moses' concern: "If your Presence does not go with us, do not send us up from here. How will anyone know that You are pleased with me and with Your people unless You go with us? What else will distinguish me and Your people from all the other people on the face of the earth?"

As I was studying to present this article to you, I thought about the ark of God, the presence of God that was in the wilderness for a season. In my book, *Conquering the Antichrist Spirit* (order through The Elijah List), I go to great lengths to discuss why the presence of God had not manifested in Israel. There were many different wilderness "stops" that Israel made, but many don't realize that the ark had its own wilderness. I encourage you to consider ordering this book if you feel as if God's presence is not manifesting in your life. We need

God's presence in this next year as never before. The dark is becoming darker and we must be a brighter light. Jesus is the Light of the world so in order to arise and shine, we must look into the face of Christ and be determined to be a reflection of His Glory. Jesus said if we have seen Him, then we have seen the Father. Though Father God told Moses that he could not see His face, we can rest assured that we can see Father's face if we look into the face of Christ! What an awesome thought!

Let's look again at Moses:

The Lord heard the cry of Moses and said that He would give Him the direction needed. God replied to Moses by saying, "I will do the very thing you have asked, because I am pleased with you and I know you by name." (Ex 33:17).

What an awesome reply from the Lord! God affirmed that He would do what Moses needed. Believers don't allow discouragement to come right now during such uncertain times. God has promised you that He will fulfill what He declares! It's time to get out some of those prophecies you have placed on shelves, or find that journal where you documented God's

promises and begin to declare, out loud, what God has spoken concerning your future. The enemy has attempted to steal your vision; he does not want you to see! You must look once more at what God has promised, stand on His promises and see your future. You may be in the midst of a shaking, but you're not being shaken out of your destiny...God won't allow it!

Let's look at Moses' next response:

Then Moses said, "Now show me your glory." (Ex. 33:18)

Wow! Don't you want to see God's glory also? I know I sure do. But, look what God's reply was to Moses:

And the LORD said, "I will cause all my goodness to pass in front of you, and I will proclaim my name, the LORD, in your presence. I will have mercy on which I will have mercy, and I will have compassion on which I will have compassion. But, He said, you cannot see My face, for no one may see Me and live." (Ex 33:20)

Now let's pull aside and look at what is occurring. God is going *in front* of Moses...to His future. God is clearing the pathway for Moses' destiny with a manifestation of His glory. But, dear ones, you need to get this part; God said that Moses would not "see His face" when He passed by him. What **we** will witness is His glory passing by and then see his back after He has completed making a straight path for us to follow. Oh, how I pray I can convey this by mere words. I trust the Holy Spirit to take over here.....Look at v. 21:

Then the LORD said, "There is a place near Me where you may stand on a rock. When My glory passes by, I will put you in a cleft in the rock and cover you with My hand until I have passed by. Then I will remove My hand and you will see My back; but My face must not be *seen*." (See Ex 33:20-23) (*my emphasis added*).

Beloved, there are times when we cannot see God' coming! Yet we must believe and trust the fact that He is still moving toward fulfilling what He promised. We may not see it happening in the natural, but when His glory passes by we know it because we experience visitations through His Word, prophetic messages, Bible studies, etc. Let's not maintain a mindset concerning How God visits us, okay? If we can do that, we're ready for Him to visit us in a fresh way.

Now, let's fast forward a little to the New Testament. Jesus is the Rock, right? Also, God says that we are "hidden in Christ." Therefore when His glory passes by, we must be hidden in Jesus, and standing on the Rock! We will witness the glory if we are standing on the rock. We may not get "goose bumps" during a visitation, but if we remain connected in Christ - well, a visitation is guaranteed! Believers, our ground in the natural is very shaky...unless we are truly standing on the Rock, we will tilt...and maybe even miss the time of His visitation to us! If you are struggling, then it's time to hide in Christ. Find Jesus in this season renew your relationship with the King of Kings. You will experience peace, satisfaction and fulfillment in Him.

Now, back to Moses. As God's glory passed by Moses, he was able to see His back. I believe that we may not always see God coming, but we know and trust that He is and that He is faithful to intervene in our circumstances. We will experience His glory because He promises to pass by. Also, when He passes by and has cleared a straight path for our future, we can look at His back and then say..."That was God" who just passed me by!

Have you ever been in a situation when you weren't certain what was occurring was God until it was over...then you found yourself saying..."That was God?" This is because it already happened; you used hindsight...but, all along God was coming, His presence manifested in your situation, and you didn't realize it until it was over!

There are many different ways to describe this passage. Theologians believe that this is how God revealed the "past" to Moses and empowered him to write the first five books of Scripture. But for me, now, today, this speaks to me differently. I have cried out, God I need to know that as I move forward Your presence is with me. He is saying that as long as you all are still trusting and believing in Me, then I'm still moving to accomplish what I have promised.

Dear Ones, don't be discouraged any longer. God is moving on your behalf! We may not see breakthrough in the natural, but if you will allow the Holy Spirit to touch your eyes, He will give you supernatural eyesight for your future. We are overcomers. Be encouraged. You WILL break out of old cycles in your new season.

Allow me to pray for you.

Father God,

You know all things. You alone are God. You say that You are not a God that would lie and that what You have promised, You will fulfill. We are crying out for Your glory. Today, we are determined to become hidden in Christ. We will firmly stand upon the Rock and trust You. We realize that when things are dark, it may be a time when we are hidden in Jesus. Empower us to see with spiritual eyes and understand with supernatural understanding and realize that You are moving forward into our future and creating straight paths into victory. In Jesus' name. Amen.

Have a glorious 2010!

As always, love and blessings,

Prophetess Sandie Freed
